Proudly Presents

“The Impact of Autism on Family Dynamics”

Our panel of psychologists and family therapists will cover a variety of issues, including anxiety, marital stress, sibling dynamics, cultural pressures and how they affect the functioning of the family.

Our Distinguished Panel of Speakers for the Evening will be:

- Lisa Brauer, MFT, a psychotherapist and child development expert that specializes in working with families with young children
- Nora Chitilian-Kalachian, M.S, a family therapist, as well as a former teacher and social worker, who currently works at the Armenian Relief Society’s Child, Youth and Family Guidance center, as well as in private practice
- Scott B. Tommey, Ph.D, a psychologist specializing in working with children and adolescents with a variety of developmental disabilities, as well as their families
